O R D E R

As per the G.O.first read above Govt.had sanctioned
195 courses in Arts & Science and Training Colleges under
Kerala, Mahatma Gandhi, Calicut and Kannur Universities.
As per G.O. 2nd read Govt. had specified the conditions to
be satisfied for starting these courses. It was ordered
that there shall be no financial commitment. It was also
ordered that changes of courses could be considered in
cases where the courses sanctioned earlier involved fina-
ncial commitment. Govt. have now received a few requests
for change of the courses already sanctioned and for start-
ing additional courses under aided and unaided colleges.

In the circumstances sanction is accorded for the
change of courses as mentioned in the appendix-I to this
Govt.order.

Additional courses are sanctioned to the Colleges as
mentioned in the Appendix-II to this Govt.order under
Calicut and Kannur Universities considering the educational
backwardness of the area served by these colleges.

Sanction is also accorded for starting of new course
and B.Ed courses and as mentioned in the Appendix-III to
this govt.order to unaided colleges coming under Mahatma
Gandhi University. The courses sanctioned by this Govt.order
will be conducted on condition that there is no financial
commitment to Government. No posts shall be created or
guest lecturers engaged at Govt.expenses for these courses
at any point of time.

The colleges can initiate action to admit students
and conduct classes if they are satisfied that there is

no financial commitment to govt. based on the assessment of workload. Cases of doubt may be referred to the Dy. Directors and x of Collegiate Education, who may assess the workload and determinate whether the courses can be conducted without expenditure to Government. These shall be no objection to expenditure on the courses being met from sources other than government.

By Order of the Governor,

K. Mohan Das,
Principal Secretary to Govt.
